About Me

Hey there, I'm Tian! A 20-year-old Information Systems student with a passion for web development. I love creating websites using tools like HTML, CSS, Bootstrap, Tailwind CSS, and JavaScript.
Always eager to learn and grow, I'm constantly exploring new aspects of technology. If you're curious, feel free to check out my portfolio website for a glimpse into my projects and work.

Education

Information and communication technologies
2020 - 2022
Philippine Christian University (PCU)

Bachelor of Science in Computer Science
2022 - 2023
